

# LIDO BEACH AUTUMN 2019 NEWSLETTER

Dear Owners,

We hope you had a great summer with us here at Lyons Lido Beach!

May we say a huge thank you to the owners' charity nights for their outstanding night for The UK Sepsis Trust. They raised an amazing £424.32. Many thanks for all your efforts on every charity event that you do for all the worthy causes.

Debbie would like to thank all who attended and contributed to our Macmillan Coffee Morning on Saturday 21st September. This year it was in memory of Debbie's brother in law, Kevin Camm, who sadly lost his battle with cancer in February of this year. This is something that has always been close to Debbie's heart as she is carrying on her mum's tradition of supporting this very worthwhile cause. This year a staggering £852.70 has been raised so far with possibly more donations still to be collected. We would like also thank Niall, Jordan, Louis, Isobele, Milissa, Theo, Esme and Charlie for doing their lemonade sale. This is an amazing achievement and all of the people who attended and gave so very generously need to be applauded.

Thank you so much for helping to raise such an amazing amount of money!

Kind Regards,

*Michelle Roberts* Park Manager

## NOTICES

### Plot Changes

Any owners wishing to make any changes to their plot must come and collect a planning form from the park office. This is to ensure that anything you would like to have on your plot falls into the council regulations. The forms are available to collect from Debbie in the Sales Office. This also applies to anyone purchasing second hand decking. You must fill in a form and then we will measure the space you have available to ensure it fits.

### 5 MPH Speed Limit

A gentle reminder to keep your speed down.

### Owners' Referral Scheme

Have you heard about our Owners' Referral Scheme? Call in to collect an information pack and find out how you could earn up to £4,000 this year! Many of our owners have already benefited from this fantastic scheme and you could too!

### Draining Down

Forms for draining down your caravan are now available in the office. It is VERY IMPORTANT that you let us know when you want to drain down as we had many burst pipes last year due to the harsh weather conditions.

### Garden Waste

Please leave your garden waste on your own plot for collection not on empty plots or other owners' plots.

### Dog Owners

Please clean up after your furry friends and keep them on a lead at all times around the park.

A gas check must be carried out every year.

An electric check must be carried out every 3 years. If you rent out your holiday home, you will need to have an electric check annually.

Anyone who does not have the relevant safety certificates will be contacted.

## FEEL GOOD FACTOR

What an absolutely brilliant weekend we had over the August Bank Holiday weekend. It was lovely to see so many owners supporting us and our new bar. All proceeds from this bar will go to our charities of the year, The Starlight Children's Foundation and The Guide Dogs for the Blind Association. The total raised will be announced at the end of the year. Massive thanks go to Kev and Ken who did the BBQ for us and huge thank you to all who made it such a memorable weekend.

### NAME OUR BAR

We need a catchy name for our new bar, best name wins! Pop into the office with your ideas.

Congratulations also to Mr Adam Marr, (also from Lyons Eryl Hall) for the longest drive. Many thanks to all who took part and to St. Melyd Golf Club for looking after us so well.
