

WOODLANDS HALL AUTUMN 2019 NEWSLETTER

Dear Owners,

We hope you have all had a great summer here at Lyons Woodlands Hall! It was great to see so many of you at our summer events.

The park is looking particularly beautiful at the moment, thanks to all the hard work of our grounds team and our owners.

We would like to welcome Pete Locke, our new Bar & Restaurant Manager and Amy Beach our Reception Supervisor, she is here for any after sales requirements.

Our new menu is now live! Why don't you pop along and try our delicious new dishes including local sourced produce.

Congratulations to one of our owners, Roy Johnson, who sacrificed a whole month without alcohol. Roy's 'dry' month raised a massive £200 for MIND, the mental health charity and also £130 for The Starlight Children's Foundation. We would like to congratulate Roy on raising such a massive amount and thank him on behalf of our nominated charity of the year, The Starlight Children's Foundation.

Thank you to everyone who supported our charity auction, we raised a whopping £1,312! All the proceeds will be split equally between The Guide Dogs for the Blind Association and Starlight Children's Foundation. Well done and a heartfelt thank you to all.

Also, thank you to everyone who supported our Macmillan coffee morning which raised £236.

Kind Regards,

Pam Astle Park Manager

NOTICES

Power Cuts

There have been instances recently where a power cut has affected the electricity supply to holiday homes, resulting in fridges/freezers defrosting. Owners are advised to empty their fridges/freezers whenever vacating their holiday home. Lyons Woodlands Hall cannot be held liable for any lost food.

Maintenance

Owners requiring any maintenance/grounds work undertaken are to contact reception on **01824 702 066** and are not to contact our maintenance/grounds team direct. Essential works can then be prioritised accordingly.

Dogs Owners

As you all know we love our four legged friends here, but we have had several reports recently of dog poo being left around park. Please, clean up after your pets, there are children on park.

Draining Down

Forms for draining down your holiday home are now available in the office. It is VERY IMPORTANT that you let us know when you want to drain down as we had many burst pipes last year due to the harsh weather conditions.
