

MOUNDS AUTUMN 2018 NEWSLETTER

Dear Owners,

We have now approached the autumn months having had a lovely summer here at Lyons Mounds Holiday Park. We hope you were able to make the most of the great weather we had.

We are very proud to announce that we have been awarded a Bronze award by the Wales in Bloom judges.

This year we are not holding any Halloween events in the office but the shuttle bus will be running from 6pm if needed, so you can attend the events at Lyons Robin Hood and the Lyons Nant Hall Hotel. Please call **07864 676 400** if you would like to use it.

Finally, I would just like to thank Ivy & Brian and all of the volunteers for helping us to raise an amazing £1,835 on our Macmillan Coffee Morning. Well done all!

Christina, Mel, Brian & Greg

NOTICES

Draining Down

Forms for draining down your caravan are now available in the office. It is VERY IMPORTANT that you let us know when you want to drain down as we had many burst pipes last year due to the harsh weather conditions.

Gas Deliveries

We have two gas deliveries per week, which are on a Tuesday and a Friday. This is a gentle reminder to all owners that you must order your gas in the office prior to those delivery days.

Dogs loose off their leads

Dogs roaming around the park not on their leads are becoming a concern here at Lyons Mounds. Please ensure you stick to the park rules which include keeping your dog on a lead at ALL TIMES (even on your own plots). Also, the usual reminder to make sure you clean up after your pets.
Thank you.

Plot Developments

Any owners wishing to make any changes to their plots must come and collect a planning form from the park office.

You must be granted permission before any alterations can take place.

Anybody laying slabs must produce their public liability insurance to the office even if it is an owner doing their own work on their plot.

Outside contractors must be approved by us to work on park before carrying out any work.

This also includes any carpet fitters, electricians, or plumbers.

NOTICES

Owners Post

Last year we advised owners that no post (except birthday cards) would be accepted in the office. We have given reasonable notice for this to take place. As of now, no owners post (except birthday cards) will be accepted in the office. Please ensure all your post is now sent to your home address.

Speed Limit

The speed limit throughout the park is 5MPH. Unfortunately this is not being adhered to. Please be responsible and cut your speed. This also applies to children while riding bikes, go carts and segways etc. Also, please ensure you use the one way system correctly.

Parking of Vehicles

All caravan owners are entitled to one car per caravan (as stated in your pitch licence). If you have any guests, please ensure they park in the parking bays. Also, please note that cars are not to be left on park whilst owners are not here.

Plot Space

Please can you all allow 2ft from the neighbouring caravan. All owners need to be able to clean the exterior of their caravan and wash windows etc.

Also, please bear this is mind whilst planting any bushes. Everyone needs to be able to turn off their water tap in an emergency.

Garden Waste

Please leave your garden waste on your own plot for collection and not on empty plots or other owners' plots.
